

Olivia O'Neill

"Having real integrity is vital to maintaining long term relationships"

Olivia's professionalism, experience and knowledge of recruitment has established her as a specialist in her field. She is highly regarded amongst her clients and peers with a proven ability to deliver quality people to the industry.

Olivia's background provides her with a valuable and rare understanding of recruitment from both sides of the table. Her career as a Human Resources specialist commenced in 1994 when she was engaged by a high profile national recruitment firm where she operated for several years. Seeking new challenges, Olivia moved in-house taking on the role of HR Manager for a private firm undertaking radical expansion through merger and acquisition. Prior to joining Godfrey Group, Olivia was employed as a senior consultant with another well respected banking and financial services recruitment company.

In 2005, Olivia was part of the founding team of Godfrey Group. Her experience and understanding of the industry gave her the platform to specialise in Executive appointment services across all aspects of the Wealth Management industry. Olivia also manages the team of advisers where her mentoring and leadership skills are an invaluable resource.

Olivia's qualifications include a Bachelor of Arts degree with a major in Psychology and a Post Graduate Diploma in Human Resources. Her desire to continually improve and increase her knowledge base has driven her to work towards her Diploma of Financial Services as well as her Master of Business. Olivia is a member of Women in Finance and Australian Human Resources Institute and has also completed a mentoring program with Merryck & Co.

Outside of her professional career, Olivia dedicates herself to time with her young family and to the welfare of people within her community, assisting organisations such as Family Drug Support in the charitable work they provide.

Her genuine care for people, her efficiency and knowledge of the industry are what make Olivia an adviser of choice for Executive placements in Wealth Management.
